# MAKING AVIATION DREAMS BECOME REALITY

Are you looking for a new tool for your tool box?

Are you looking to expand your **HORIZON**?

We have the program to fill the need!

# AERINOVA AVIATOR PROGRAM

## LEVEL 1

**Enthusiast:** This level will let you explore the excitement and fun of aviation without breaking the budget or the bank. You will have access to our well-equipped two seat trainer.

## LEVEL 2

**Adventurer:** A level up from the enthusiast; this level will let you have access not only to the trainer you will also have access to our Beechcraft Bonanza. You will have the ability to access more destinations that you imagined from central Illinois.

## LEVEL 3

**Explorer:** For those that would like to have access to a piston twin engine aircraft in addition to the aircraft in level 1 and 2.

## LEVEL 4

**Premium Traveler:** The highest level that we offer. At this level you will have access to all of the aircraft in our program without the capital expenditure. If you are looking to expand your business or would like to experience the convenience of personal air travel without the hassle of the commercial airlines this is the level for you.

# HOW DOES THE PROGRAM WORK?

The program is very similar to renting a car. Based on the program that you choose there is a one-year commitment. At any time after the 12 months you can cancel for any reason with no cost to you.

- a. In addition to the monthly cost there is a hourly dry rate on the aircraft, plus fuel
- b. If you do not qualify as a pilot for the aircraft, there will be a pool of pilots you can select from and pay directly for the service. Current daily pilot rate \$500.00 / day plus expenses if necessary.
- c. Aircraft Insurance, Maintenance and Hangar costs are covered by us.
